About Chandigarh College of Pharmacy

The Heritage Campus, Chandigarh Group of Colleges (CGC), Landran, is superlative in giving professional education to the students from all corners of the country. Established with the vision to be the most preferred educational institution with global recognition, CGC has come out to be one of the leading technical campuses of the country.

Chandigarh College of Pharmacy (CCP) is affiliate of Chandigarh Group of Colleges (CGC) which is established under Sri Guru Ram Das Educational Society (Regd.) under the dynamic leadership of Mr. Satnam Singh Sandhu, Chairman and Mr. Rashpal Singh Dhaliwal, President. CCP under the aegis of CGC is a premier institute in the northern region of India, setting benchmarks in the field of pharmaceutical sciences with its research. The institution was established in the year 2005 with an insight to promote excellence in pharmaceutical education and research. The college offers quality education at graduate and post graduate levels in Pharmaceutics and Pharmacology specializations. The institute is approved by Pharmacy Council of India (PCI) New Delhi, All India Council of Technical Education (AICTE), New Delhi and affiliated to Punjab Technical University, Jalandhar. CCP is recognized as Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology, Government of India for promoting and advancing the research.

With a vision to provide quality education, CCP is well equipped with modern information and communication technology (ICT) based classrooms, modern laboratories, library, plant herbal garden and animal house. CCP has acquainted its students well in advance with shifting paradigms and technological advancement in pharmaceutical and health care systems to bridge the industry academia gap. This practice ensures our students are future ready to cater to the ever growing needs of the industry. As a result, most of the alumni of CCP are associated with reputed national and international companies at handsome packages. CCP has well qualified and highly experienced faculty to take care of the academic requirements and practical training of the students. CCP has been conferred four times with the award of "Best Private Pharmacy College in Punjab" through different agencies. CCP has signed MoUs along with collaborations with various national & international companies/universities.

CCP provides a 360 degree Training and Placement program which works on honing the aptitude, technical, professional and interpersonal skills of the students. All these attribute ranked CCP as Best Pharmacy College in Punjab by One Planet Research in March 2013 and as Best Pharmacy College in North India consecutively for two years by Prime Time Media in March 2014 and in March 2015. CCP has also been bestowed as best private pharmacy college in India in 2016 by Praxis media.

About the conference

Whether it's teaching, research, or clinical practice or a blend of all three, academic pharmacists benefit from stimulating careers in teaching and research institutes as well as other organizations like hospitals throughout the world. The environment in which the pharmacist operates is evolving rapidly. It is influenced by the science that drives the development and delivery of medicines, by population changes and the workforce demands of healthcare. The aim of this conference is to explore current trends in academics and research in pharmacy in order to prepare budding pharmacists that are recognized within the pharmaceutical industry, related sciences and regulatory governance of medicines, as a patient-focused leader of pharmaceutical research, drug development and the introduction of new medicines to the patient.

Highlights

- Dr. B.Suresh, President, Pharmacy Council of India, New Delhi, shall address the delegates during inaugural function
- Prof. K. Chinnaswamy, President, The Indian Association of Colleges of Pharmacy (IACP) will be felicitated for his remarkable contribution & dedication of his entire life to Indian pharmacy profession.
- Expert talks in the conference: Expert lectures planned for the conference will be focused towards innovative research in pharmacy and clinical aspects of pharmacy education.
- The conference lectures are designed to cover the requisites of the pharmacy pursuing students such as B.Pharm., M.Pharm., Pharm.D and Ph.D programs.

Submission of Abstract Submission

Scientific research papers on unpublished / original work are invited from delegates for poster presentation on the following subjects.

1. Pharmaceutics
2. Pharmaceutical chemistry
3. Pharmacology
4. Pharmaceutical Analysis
5. Quality Assurance
6. Pharmacognosy
7. Clinical pharmacy
8. Industrial Pharmacy
9. Pharmaceutical biotechnology

Abstract can be submitted at ccp.conference2018@gmail.com
